

Hi, thanks for showing interest in helping with night food pantry sorting.

Deliveries typically arrive anywhere from 9:30-11:30pm, most often around 10:30.

Please feel free to arrive early, relax, have a tea, read on the couches...

To be notified when a driver is en route from a pickup to Ridgewood Commons, join the [sorting chat Signal group](#).

Signal is an encrypted secure messaging application for mobile and desktop. It's free, easy to use, and reliable.
