

First Aid Kit Contents Proposals

All

- Adhesive bandages (Big square + medium strip)
- Gauze boxes 4x4, 2x2
- Cohesive tape rolls
- Antibiotic ointment packets
- Antiseptic wipes
- Burn gel (maybe?)
- Trauma shears
- Instant cold packs, or cold packs on standby in freezer
- Triangle bandage + safety pins
- Wound closure strips
- Face shields for CPR

Basement only?

- Tourniquet
- OLAES Modular Trauma Bandage
- Eyewash bottles?

Bathroom

- Thermometer (Probe-type with covers, instructions to wipe down each time, or non-contact)

These things could go in but should probably just be out:

- Ibuprofen, acetaminophen)
- Antihistamines
- Aspirin
- Anti-diarrhea stuff
- Antacids
- Narcan / Nalaxone
