

Discussion of low-attendance movie nights.

Suggestion to de-prioritize them to make available for programming or rental.

But programming doesn't appear to have many good submissions to fill those Wednesdays.

Need to check in w/movie crew.

This arrangement would depend on closing booking, to allow for schedule to promote screening with minimum 3 days.

e.g. bookings for following wed close on Friday, to allow for Sunday schedule promotion.

Also requires that screening have a "next up" ready to go with screens and copy.
